1954

TO THE READER

Dear Reader—you're the best
If only you stand the test
And through these pages as you amble
The following headings try to unscramble
Junior, Sophomore and Freshman
Pages thirty-two through thirty-five
Are all mixed up and in a jive
Alas, Alack—so simple a mistake
So silly it seems to take the cake
But in our hurry to get the book
This oversight puts us on the hook
So, Dear Reader—you're the best
If you'll consider it as a jest
And cut and paste up the headings true
With the stickers attached and furnished you
If this test is a jawbreaker
Come by and see Louise Huffaker
She'll examine your IQ
And set you back a grade or two.

It seems only fitting that the 1954 COHONGOROOTA be dedicated to Miss Louise Huffaker, who this year more than any other has made possible the publishing of the COHONGOROOTA. Yearbook staffs know Miss Huffaker as an untiring sponser and neverfailing source of good judgment. Students know her as a capable librarian seeing that the fullest possible use is made of the library.

Perhaps the ability to make students do for themselves what they might be inclined to let others do for them—to make each student feel that he has some worth in himself, is her greatest virtue. Whether it is simply, "It's your book," to an undecided editor or "What is the subject that you have chosen for your term paper?" to a bewildered freshman in search of references, Miss Huffaker seems to instill in each a feeling of self importance and worth.

For this reason, Miss Louise Huffaker, the COHONGOROOTA Staff dedicates to you the 1954 yearbook.

P R E S I D E N T I K E N B E R R Y

The 1953-54 academic year marks the Eighty-third Anniversary in the "Story of Shepherd College." The current year records important progress toward the building of a "Greater and Better Shepherd College."

The enrollment at Shepherd continued on the march with a new all-time record of 502 full-time students on the campus. The new \$422,000 Men's Residence Hall providing a new modern home for 150 college men was filled to capacity.

The Homecoming celebration was heralded as a great success. The day's events included the dedication of the new men's residence hall, a colorful parade, a successful football game, an open house at the new men's residence hall, and the annual Homecoming Ball.

National recognition was again given the teacher education program when Shepherd College was evaluated and again placed on the accredited list of the Association for Colleges for Teacher Education. Special recognition was given to the outstanding qualifications of the faculty.

The expansion of Student Personnel Services brought the appointment of a new Dean of Women and a Dean of Men to council with students regarding their academic, personal and social problems.

Shepherd College can be justly proud of the outstanding men and women who make up the 1953-1954 student body.

Their higher academic, social and moral standards are making our motto "Shepherd College Students Succeed" come true.

COHONGOROOTA

One of the largest tasks accomplished on the Shepherd Campus is the publication of the yearbook, the COHONGOROOTA. With no fanfare, the staff devotes a year's labor to the preparation of this annual record of the year's activities. Among the many tasks involved are the sale of advertisements, the preparation of the physical outlay of the book itself, the solicitation of material, the collection of all necessary photographs and the distribution of the finished product.

The adviser to the staff is Miss Louise Huffaker, librarian of the college.

Devoted to the encouragement of journalism among Shepherd students, the Pi Delta Epsilon, a national journalism fraternity, stimulates interest in creative and commercial writing.

Membership in the fraternity is open to all students who have worked one year on either the COHONGOROOTA or the "Picket," or have written radio scripts for broadcasts, and have completed two years of college with a high scholastic average.

An annual spring banquet for new members and participation in the Homecoming activities are two of the activities in which the fraternity participates.

"In search of Truth" is the motto of the Student Christian Association of Shepherd College, largest organization on the campus. This student group is affiliated with the national YMCA and YWCA.

The SCA is devoted to the task of providing students an opportunity to grow in the Christian life through worship, study, and service.

This opportunity is provided through bi-monthly worship programs, community vesper services; Lenten services; special Thanksgiving, Christmas and Easter programs; service projects, such as ministering to Children's Haven; Observance of Student World Day of Prayer with Storer College; recreation, including steak fries, outdoor hikes, and parties; radio broadcasts, campaigns to aid foreign students, attendance at area and regional conferences.

THE CHOIR

The Shepherd College Choir again in 1953 has proved its worth as a definite asset to the college, the community, and the area as it was extremely active throughout the year. Under the able direction of Professor Carl J. Farnsworth, the choir presented Flotow's "Martha," a Christmas cantata, and also was present at all special events of the college year such as the dedication of the New Men's Dormitory.

A well balanced group, the choir was accompanied by Marlene Zimmerman. Lorna Shull, Bonnie Smith, Richard Forsythe, Charles Van Metre, and Stan Ikenberry did solo work throughout the year.

Possibly one of the most active organizations on the campus is the Shepherd College Band. A precision unit, the Band is one of the outstanding musical organizations in the tri-state area. The director, Professor Guy Frank, has worked untiringly in molding the group into a respected and unique organization. One of the main attributes of the Band is its ability to play all types of music, and play them well.

Just a few of the many activities of the band are: Homecoming Parade, Winter and Spring Concerts, trips to civic clubs, and area high schools. Also throughout the year unlimited support is given to all athletic events and functions of the college.

It was the purpose of the Horace Mann Centennial Commission that a movement should be started during the Centennial year 1939, which would be as significant for the century ahead as Horace Mann's establishment of the normal school had been for the century past. They selected for the movement FUTURE TEACHERS OF AMERICA designed to give teachers in preparation practice in teacher-teacher and teacher-citizen relationships.

The organization sponsored by the State and National Education Associations, participates in as many of the activities of each association as the membership is capable of conducting.

Major events of the year include sponsoring of American Education Week program and Regional High School FTA Conference in cooperation with State Classroom Teachers Association.

The movement has spread to every state in the nation and has done much through providing opportunities for personal and professional growth, toward development of competent teachers devoted to furthering the great cause of education in the world.

Seated: Regina Jones, Mary Alice Lambert, Susan Barrick, Jane Poisal, Virginia Wolfes, Glenna Hill, Allene Miller. Standing: Miss Ruth Conard, Mrs. Hazel Newman, Miss Florence Shaw, Mrs. Mary J. Kappa Delta Pi is an honorary scholastic society organized for the purpose of promoting more intimate fellowship with those whose lives are dedicated to the cause of teaching as a profession. It is a national society the aim of which is to foster high standards of preparation for teaching, and to invite into fellowship those who have attained excellence of scholarship and distinction of achievement as students and servants of education.

ALPHA PSI OMEGA

Logan Lynch playing the title role in the "Man Who Came to Dinner."

The Alpha Chi Cast of the Alpha Psi Omega National Honorary Fraternity is devoted to the presentation of highly artistic, intelligent dramatic productions on the Shepherd College campus. Closely allied with the Department of Drama, the cast produces a group of outstanding plays each season and also sponsors other theatrical activities. Under the direction of Dr. Vera-Ellen Malton, this extremely active organization has raised the standard of drama at Shepherd College to a high level in the past few years.

The cast opened the 1953-54 season with a fast moving presentation of THE MAN WHO CAME TO DINNER, following it with THE LONG CHRISTMAS DINNER. The group in cooperation with the Department of Music presented Van Flotow's MARTHA. This production was followed by BRIGADOON, which was presented in conjunction with the Shepherd College Band. Closely following were two nights of one act plays directed by students and in some cases the plays were written by students.

Those students interested in joining the fraternity may do so by fulfilling certain qualifications involving work in the various phases of the theatrical arts. In order to facilitate membership in the fraternity, members have created a Dramatic Club whose membership is composed of all who have taken part in a dramatic production.

The International Relations Club, or the IRC as it is known on the campus, had for its theme this year the challenge of "BECOMING GLOBAL MINDED." To get to know and understand the world was the aim and goal of the fifty-five members. The IRC devotes itself to the study and evaluation of national and international politics and policies, and to an appreciation of world culture patterns. One of the chief concerns of the group this year was to try to get as many varied viewpoints and opinions of the world situation as possible. A representative from the United States Department, A Shepherd faculty member, a much traveled housewife and a German lawyer gave their appraisals of the situation of the world today.

IRC is also interested and active in campus affairs. The group participated in Homecoming activities, conferences on international relations in Pennsylvania and New York and special drives and events.

Each year at Shepherd the names of a number of the College's most outstanding students are selected by the faculty to be honored by inclusion in the publication, "Who's Who Among Students in American Colleges and Universities." The qualities required for nomination and final listing are character, scholarship, extracurricular activities and the possibility of future usefulness to business and society.

The Student Council of Shepherd College serves as an organ of student opinion and a student parliament to mediate in situations involving individuals or campus organizations. Among its primary responsibilities are the execution of the school constitution and any necessary revisions, the expression of student misunderstandings, the sponsorship of the Student Union, the planning of such activities as the Homecoming festivities and the Queen's Ball, and chiefly, the representation of all groups within the student body. Aside from these duties, the Council is affiliated with the West Virginia Federation of Student Governments and sends representatives to various conferences on student government.

One of the main achievements of the Council was the drafting of a new and more effective constitution. With much student interest and concern the council, students, faculty, and administration all worked together to form the new document.

Theta Sigma Chi of Shepherd College serves a two-fold purpose on the campus. First, we are a social organization. We, through a close relationship in work and recreation, create in the members a feeling of brotherhood. Possibly, we are not as some fraternities, "a home away from home," but we still offer many advantages to the members.

The Fraternity is not only a social organization but is also proud to be classed as a service organization. Many activities are carried out during the year in the service manner. A few examples are: taking charge of college functions, in the form of thuses, assemblies and social events such as dances. Also, the yearly blood drive in Shepherdstown is sponsored by the Theta Sigma Chi and over 100 pints of blood are given by Shepherd College students in the drive each year.

The Zeta Sigma Fraternity of Shepherd College is dedicated to the ideals of American youth. Its members pledge responsibility to the fraternity, the school and the community. But fraternity activities are not all work. During the past year the fraternity has held not only the award for scholarship among the men's organizations on campus, but the athletic award as well.

Fraternity activities are many and varied. Besides participating in the Homecoming festivities, the fraternity holds an annual banquet dance, during which Queen Zeta is crowned. During the year the members also sponsor various fund-raising measures.

"Dear old Alpha Sigma Tau . . . Glory be to thee . . .
May we ever live to honor thy dear memory" . . .

The members of Chi Chapter of the Alpha Sigma Tau National Social Sorority, are dedicated to promoting the social, cultural and ethical ideals of young womanhood on the campus.

One of the most active organizations on campus the Alphas are noted for their accomplishments in the field of social service. The first semester pledges were in charge of sending a huge Christmas box to the Pine Mountain Settlement, a social service project of the sorority. Again this year the Alphas gave their time to participate in the "Mothers' March on Polio."

However, sorority membership is not all work. There are slumber parties each semester for prospective pledges and a dinner party for the new members.

The officers are: Bonnie Lee Smith, president; Eleanor Ludwig, vice-president; Wanda Mason, recording secretary, and Elizabeth Russell, corresponding secretary.

Phi Sigma Chi Sorority was organized on the Shepherd campus in 1930 under the name of Phi Chi. Mrs. Ernest Stutzman is adviser.

The sorority became National in 1945 by joining the Sigma Sigma Sigma National Social Sorority. At the end of three years, in 1948, the sorority voted to withdraw from National and again became local. They combined the two names previously used and became Phi Sigma Chi.

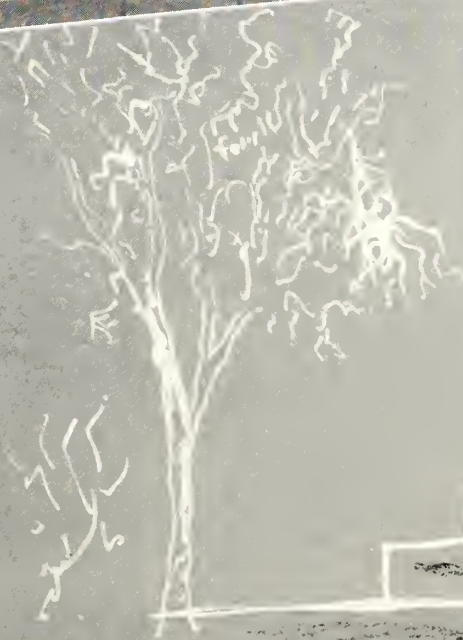

The purpose of this sorority is to stimulate and promote interest and activity in social development, friendship and education.

A new coach, Don Fuoss, arrived on the campus less than two weeks before the Rams' opening game with Washington & Lee. The Generals dominated the game, as was expected, 47-0.

Glenville scored in the first quarter after the Rams had failed to capitalize on a scoring opportunity. The game developed into a defensive battle. Glenville 7, Rams 0.

A surprised Randolph-Macon team, 1952 Mason-Dixon Conference Champions, had to come from behind on two occasions to tie the Rams, 13-13.

Montgomery College, which lost one game in

two years, defeated the Rams, 31-19. The Rams sustained numerous and costly physical injuries.

Shepherd did not look impressive in defeating Newport News Apprentice School, 15-0. The Rams had two other touchdowns nullified because of penalties.

A large Homecoming crowd enjoyed a double treat—the Rams' first Homecoming victory in three years, and the second victory over traditional rival, Potomac State, in more than a dozen years. Score: 14-0.

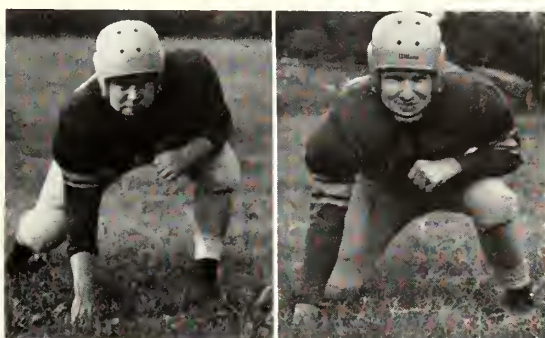

A blocked punt and a resulting penalty, with less than 30 second left to play in the first half, proved to be the margin of victory for the Bridgewater Eagles in edging the Rams, 9-7.

A star-studded Fort Meade Army team defeated the Rams in their final game, 19-14. A touchdown pass, with six seconds remaining in the first half, proved to be the margin of victory for the Generals.

While a record of 2-5-1 is not impressive, it was the consensus of opinion on the campus that with the exception of the W. & L. and Montgomery games, the Rams could have conceivably won four of the games which they either tied or lost.

The Rams enjoyed one of their better seasons by winning 11 games and losing the same number for a .500 record. Against strong WVIAC teams the Rams won 4 and lost 7 games. One loss was to W. Va. Tech, Conference Champions, in the tour-

nament at Buckhannon. Outside the Conference the Rams compiled a 7-4 record.

The majority of the Rams' games were close contests with Coach Fuoss placing emphasis on defensive play. The Rams gained three victories

by one-point margins. The Rams lost four games by close margins. Shepherd scored 1,588 points and the opposition 1,595 points.

The 1953-54 Shepherd College basketball team enjoyed the distinction of compiling a number of "firsts" in court play. The Rams broke a "jinx" when they defeated Glenville for the first Conference victory on the road in four years. The Rams also defeated an always strong West Liberty State team for the first time in more than eight years. When the Rams scored 100 points against Montgomery, they were the first Shepherd combination to hit the century mark. The Rams led the WVIAC in defensive play for the first time.

The emphasis was also on team play as is best illustrated by number of men who scored as follows: Hess 342 points, Poling 255, Omps 216, Seibert 190, Maphis 181, Milich 162 and Turner 115 points. The 1953-54 basketball season was a successful one in more ways than just the won and lost record.
